Welcome to your

Some class rules...

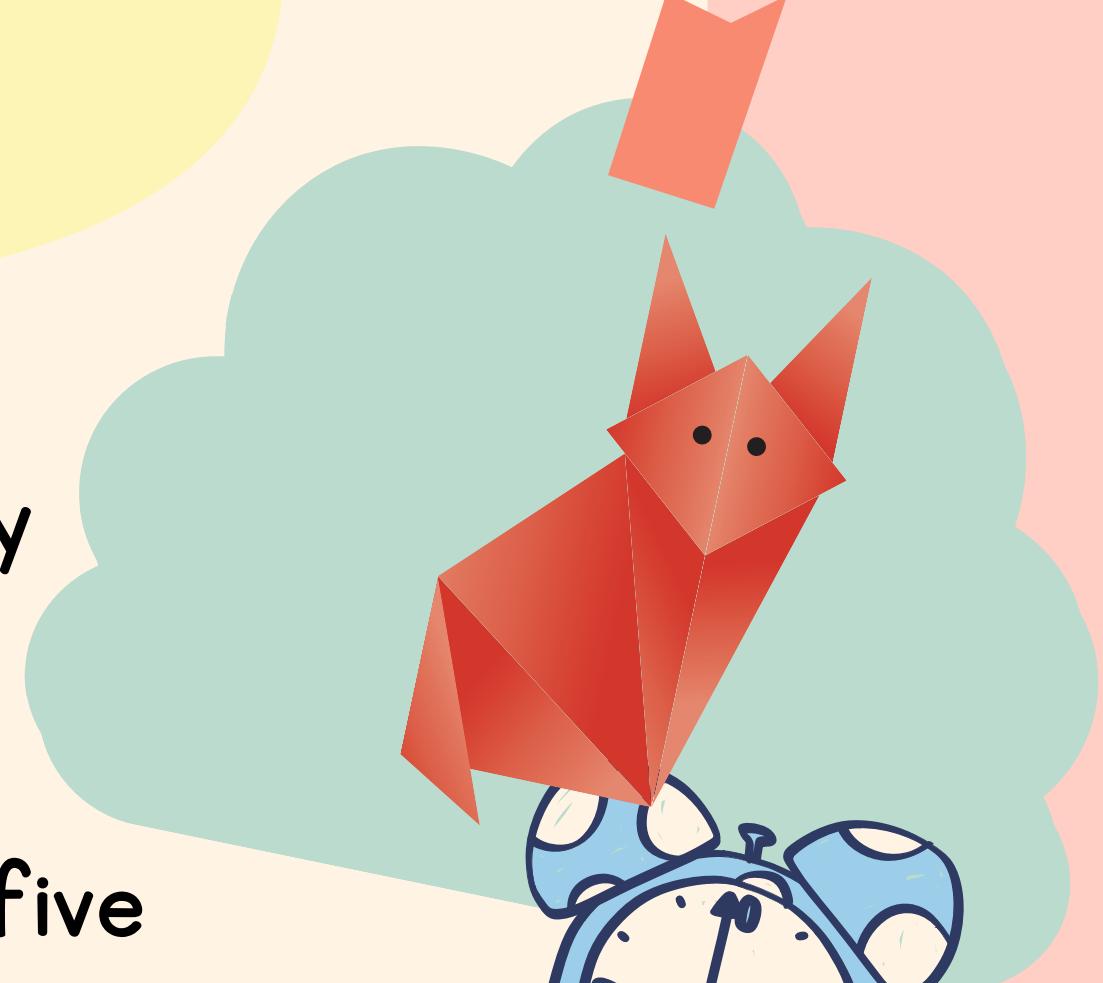

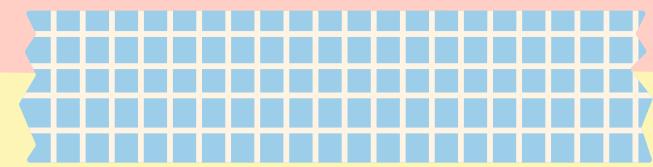

Not only English

Despite you being one step away from your last English level, there are still times when we need an explanation in Spanish. Do not worry, Spanish is accepted and embraced in this class.

Time!

The class will start at 9:05! I really appreciate punctuality.

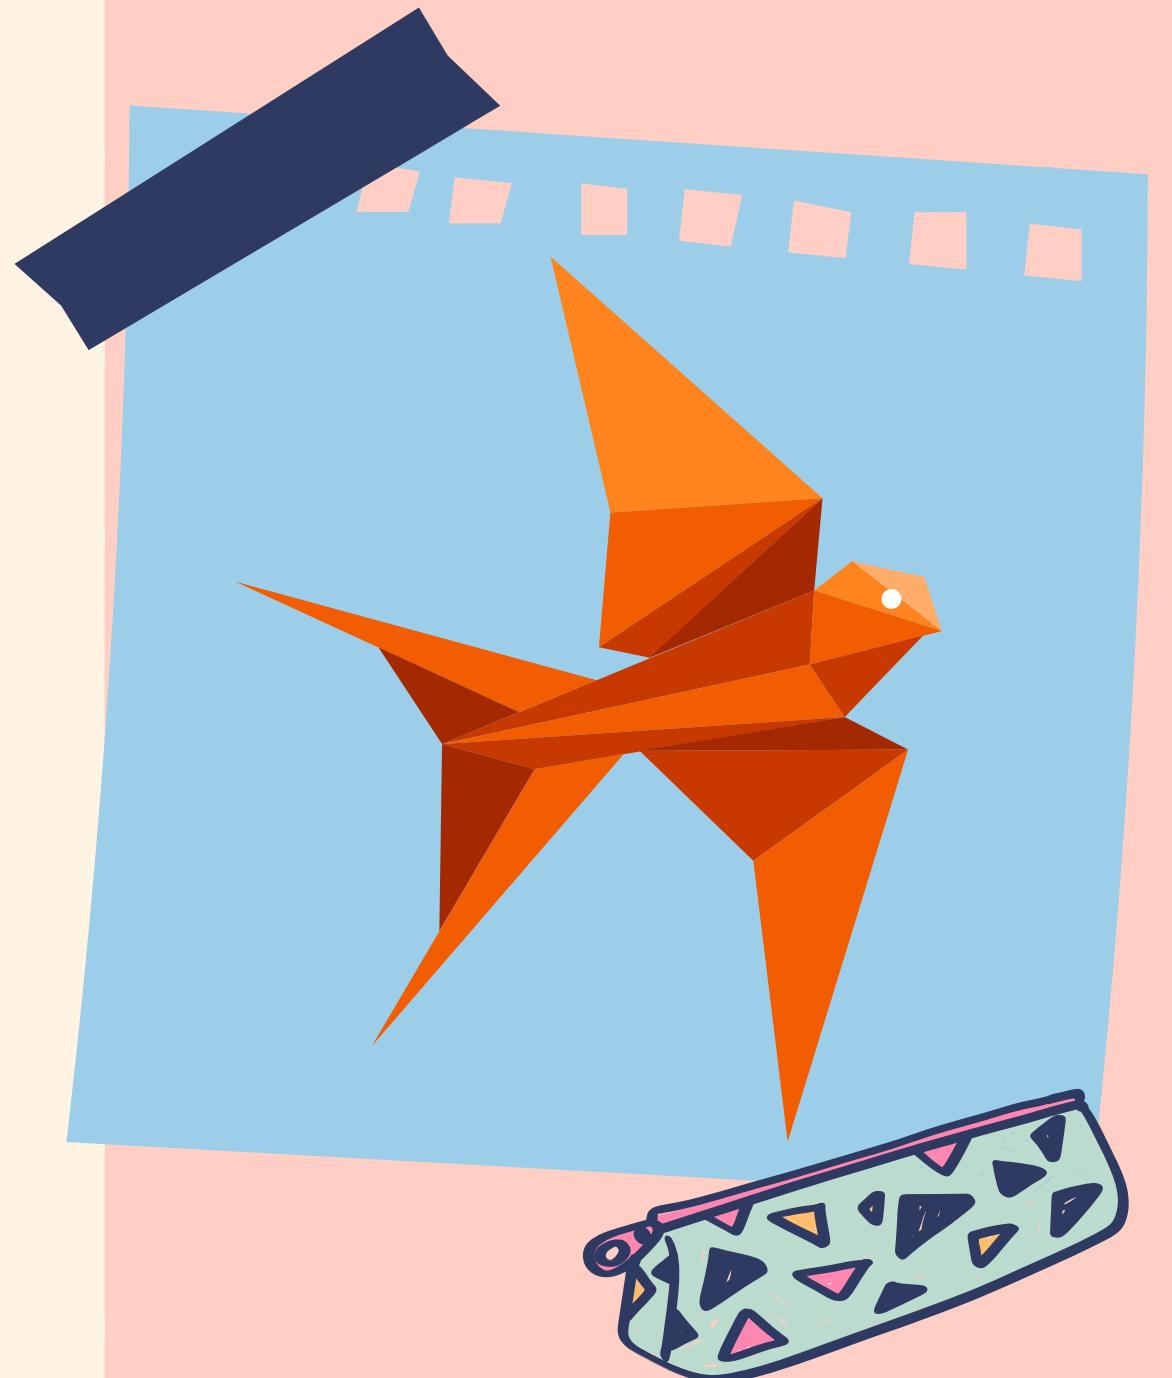

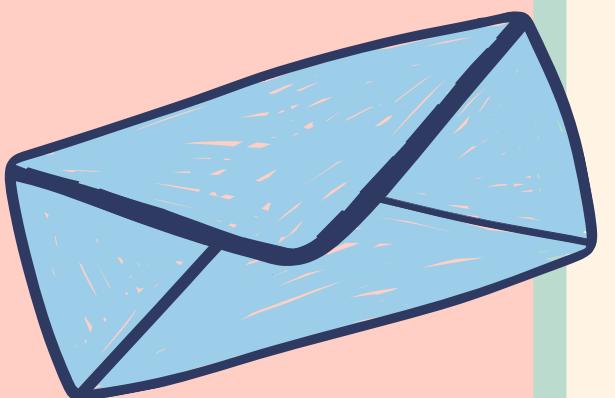

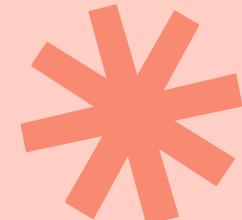

Every participation will be limited to five minutes; everybody needs to get a chance!

The Daily Move

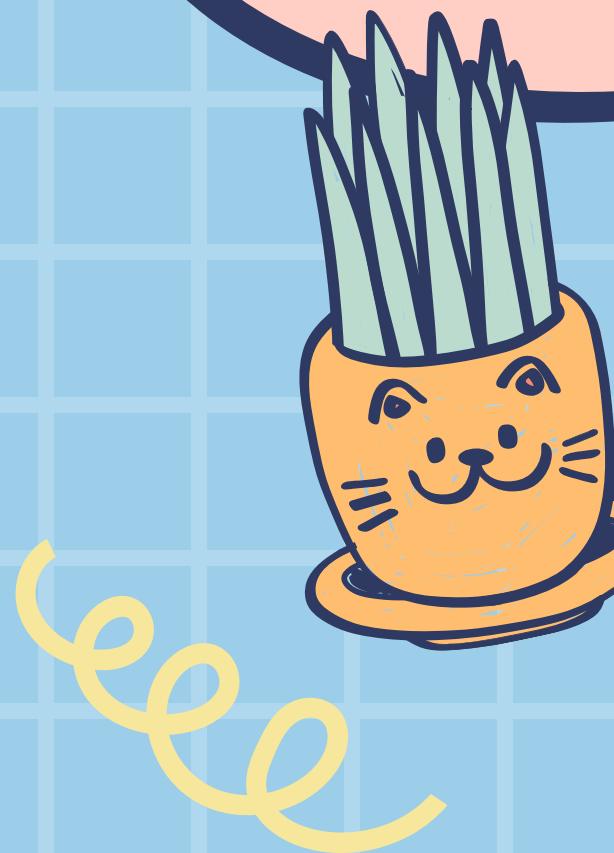

Let's stretch for a bit
before and after the class!

It will start at 9:00 and
10:55.

Monthly feedback

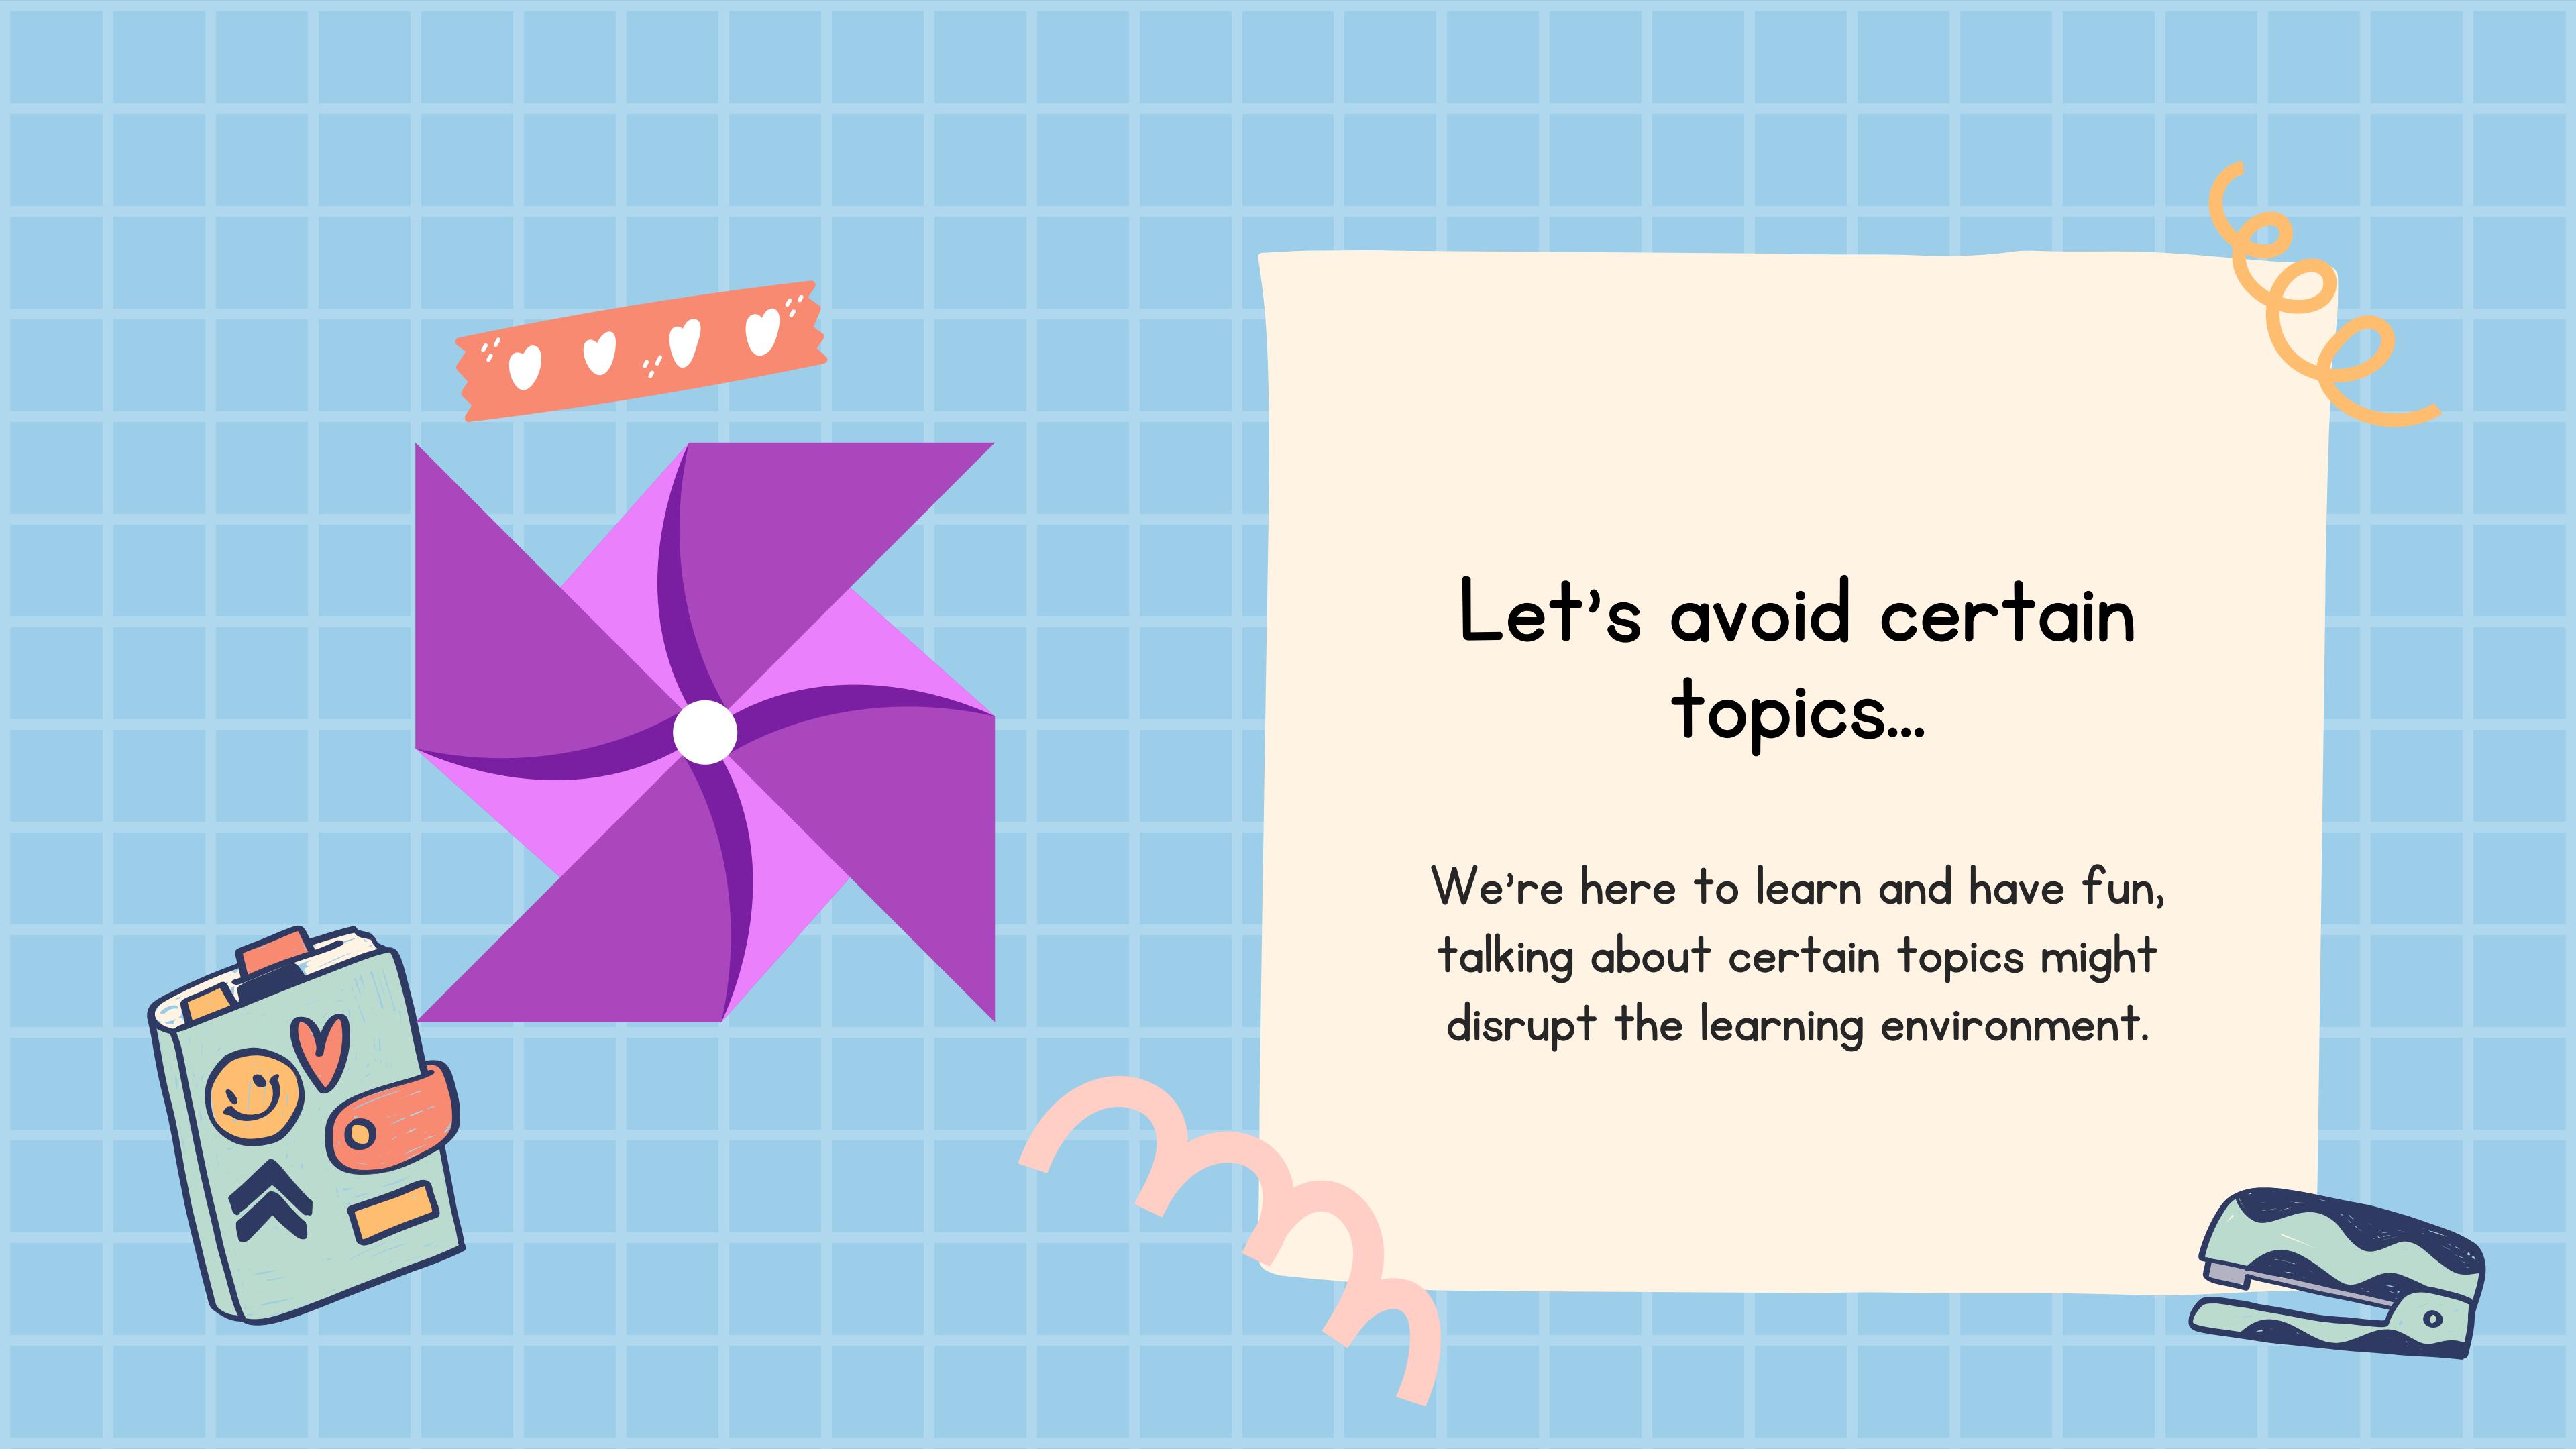

Every month, I will ask you to give me anonymous feedback on the classes: my overall performance, if you'd like to learn something new, and how you've been feeling.

**Everybody needs
to participate**

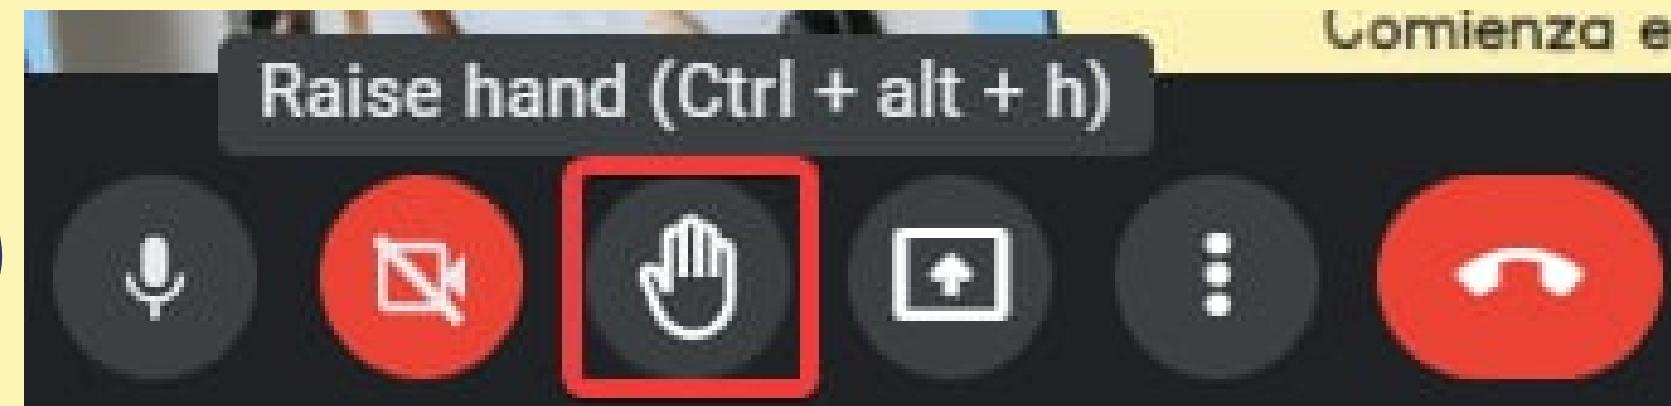

Let's avoid certain topics...

We're here to learn and have fun, talking about certain topics might disrupt the learning environment.

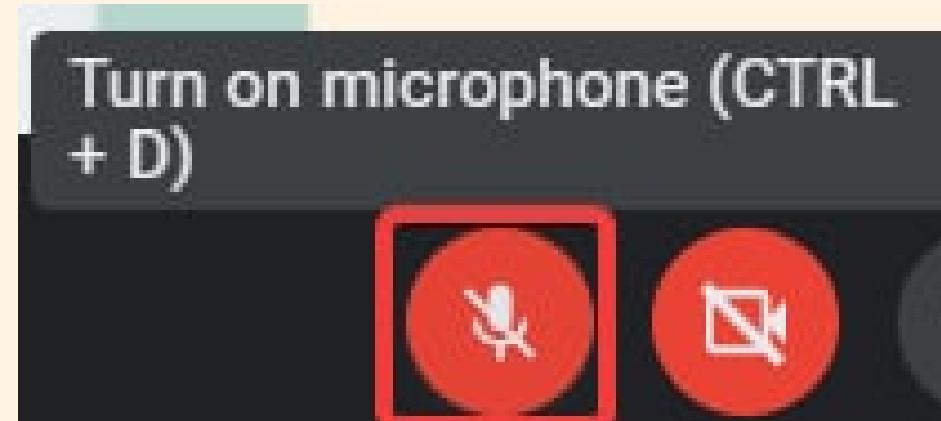

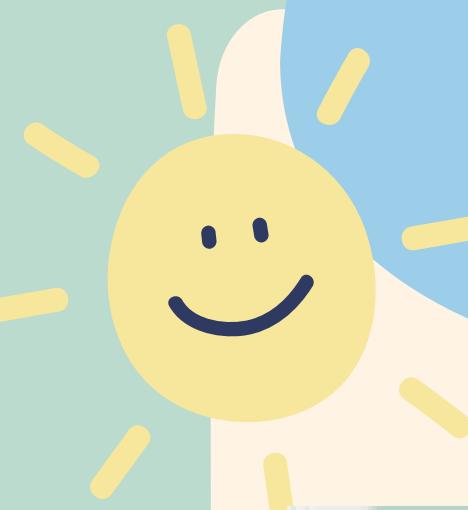

Use the "raise hand" option

Mics off!

Feel free to reach out whenever you have a doubt, you can't come to class, or you'd like to tackle a topic in class!

Remember that my number is: 313 347 5429

I'm here for you!

Would you like to
add any other
rules?
